Parents,

There was some confusion regarding the yearbook order forms. I apologize for not being more clear on the flier attached to those forms.

Yearbooks will be **\$18 each**, unless you are a registered/paid member of this year's PTSA, in which case they will be **\$16 each**. Registered/paid members will also receive a special discount on spring spirit wear (coming soon!).

Payment can be made via cash or check, made payable to "DGF PTSA," in the envelope/order form provided.

If you are ordering more than one yearbook, please fill out an order form for each book/student, and make separate payments for each book.

Please return your child's order form with correct payment no later than **March 31, 2012**. Yearbooks will arrive and be distributed to students mid-May.

Thank you!

PTSA President
